

Special Deal

Get the latest technology
for documented side
airbag seams.

DA 550-867

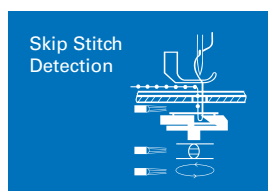

Be ready for the future!

You have workstations with Windows XP or even Windows 7 processing your documented seams and the support of Microsoft is limited?

Use the time to upgrade your machine equipment and exchange your workstations 550-867 and 550-767 to new SAB workstations DA 550-867.

Advantages of DA 550-867 SAB workstation

- Windows 10: Latest operating system within support
- SSD (Skip stitch detection): Integrated cost saving quality check

*valid until
31st August
2020

**Special trade-in
price up to:**

5.000,00 € *
